

COUNTY DATA

The following section highlights each county in Kentucky. Crops produced, livestock inventories, milk production, and agricultural cash receipts are displayed with the appropriate rank among all counties. Data published here are available elsewhere in this bulletin, but this should aid data users interested in certain counties. Also, included for each county are 1982, 1987, 1992 and 1997 agricultural census data for

number of farms, land in farms and harvested cropland
acres.

Below is a table with data for the entire State, including Kentucky's ranking nationwide. On succeeding pages each county is listed alphabetically. If you have any questions on this section, please get in touch with us.
